

4. Principal Professional Expenses Policy

A budget for professional expenses and for professional development will be established annually in accordance with the principal's professional development plan contained in their performance agreement and be included in the budget. Spending within the budget is with the approval of the Board. Any overseas trips for professional development must be approved by the Board of Trustees at least one term in advance of the event.

Professional development expenses may include but are not confined to: continuing education, books and periodicals, mentoring and attendance at professional conferences.
